AIG brings you Premier Client Solutions, a coverage most fitting for your home and lifestyle. BENEFITS OF PREMIER CLIENT SOLUTIONS

Protects Possessions

Insuring your home also calls for careful attention to not only the fixtures and the fittings, but also to the precious items inside, from high-end plumbing fixtures to family heirlooms. Whether a fire razes it down or a flood sweeps through your home, we offer cover for what belongs to you. Rest assured that not even depreciation will have you paying the price if something is damaged, lost or broken.

Protects Liability

For you and your family, our liability coverage provides protection for your legal liability from events leading to claims for property damage or bodily injury – whether a guest slips and falls on your property or a crumbling roof tile falls onto a passer-by's head.

Minimises Disruptions

If an insured incident keeps you out of your home, we want to help your family maintain not only a sense of normalcy but also a comparable standard of living. We offer coverage for your living expenses for when your home is rendered uninhabitable by a named peril or by instruction from a public authority. This further includes any rental income loss if your damaged home is tenanted.

Protect Your Valuables

Be it the bespoke jewellery, beautiful artwork, or the age-old antiques, Premier Client Solutions makes it a point to have it covered. Even better, we offer you the flexibility of upgrading to a higher level of protection for your valuables against loss or damage due to fire, theft or breakage not just in your home but anywhere in the world.

TOP-NOTCH SERVICES FOR YOU, OUR TOP CLIENTS

Your home is your sanctuary. It is your pride and joy but in a flash, it can be destroyed: by windstorms, landslides, freak accidents or burglaries. The damage can be immense, and takes a toll on you as you worry about your finances. Let AIG give you the shield you need against such devastating loss. Premier Client Solutions has four sections that you can choose together or separately, and each offers a unique cover.

Section 1: Houseowners (Named Perils)

Protection for the structure that weathers rain or shine: House Owners covers your house or apartment against a named list of natural disasters that include fire, hurricanes, earthquakes, and lightning. It further covers theft and robbery on your property as well as additional living expenses for when your home becomes uninhabitable.

We also offer a list of optional coverages to make your policy even more comprehensive.

Section 2: Home Contents (All Risks)

Protection for your things within the home: because it's 'All Risks', we cover it all. We'll pay, reinstate, repair, or replace for loss and damage to your items, with no depreciation to fear. Home Contents gives you security for your possessions, and we provide that little bit extra, too. For the first time, we are now offering a number of new benefits, the least of which include tree removal, landscaping, loss prevention devices, and disability costs.

What's more, your valuables are our priority. When it comes to the jewellery that adorn your person, or the artwork and antiques that adorn your home, Premier Client Solutions will cover it for you, with top-up options also available.

Section 3: Worldwide Personal Effects (All Risks)

Be protected anywhere in the world. When you travel, no matter where you go, we provide security for those items that you will always take with you: handphones, jewellery, watches, and any other personal effects that don't leave your side. Tell us what you need covered and be assured its value is secure. There is no limit.

*Available with Section 2.

Section 4: Worldwide Personal Liability

For you and your family, our liability coverage provides protection for your legal liability from events leading to claims for property damage or bodily injury – whether a guest slips and falls on your property or a crumbling roof tile falls onto a passer-by's head. We will pay when you, your family member, and your domestic servant becomes legally liable to pay for damages arising from:

- Accidental death or bodily injury to any person.
- Accidental loss or damage to tangible property.

^{*}Not available as a standalone section.
