

## Endorsement Forming Part Of And Attaching To Travel Guard

The AIG travel insurance **Policy** has been amended to address certain situations pertaining to COVID-19. This means that for some benefits, cover is expanded to include losses occurring after COVID-19 was a known event and could reasonably have been expected to lead to a claim (which otherwise could have been excluded as set out in the General Exclusions section of **Your Policy**). This Endorsement addresses what **You** are and what **You** are not covered for as it pertains to COVID-19.

Please note:

1. This Endorsement will attach to and form part of **Your Policy** if **You** purchased Superior or Premier **Plan**. This COVID-19 coverage is not available for Primary & Essential **Plan** and Domestic **Plan**.
2. This Endorsement is subject to all the provisions, limitations and exclusions of the **Policy** except as they are specifically modified by this Endorsement. If any provision, limitation or exclusion in the **Policy** is inconsistent with this Endorsement, the terms of this Endorsement shall prevail. Please note in particular the “**GENERAL CONDITIONS**” and “**GENERAL EXCLUSIONS**” sections of the **Policy**.
3. All terms defined and references construed in the **Policy** shall have the same meaning and construction in this Endorsement. Terms shown in bold in this Endorsement have defined meanings given to them in the **GENERAL DEFINITIONS** section of this Endorsement or the **Policy**.

### COVID-19 COVER

The **Policy** will cover and **We** will pay up to the maximum sum insured shown in the table below (or where applicable, in the schedule of benefits in **Your Policy**) for claims relating directly to COVID-19, subject to the exclusions listed below and the terms and exclusions of **Your Policy**.
